## Factors affecting your credit score

### Equifax

- The date that you opened your oldest account is too recent
- Available credit on your open bankcard or revolving accounts is too low
- Open real estate account balances are too high compared to their loan amounts
- The balances on your accounts are too high compared to loan amounts
- Number of inquiries adversely affected the score but not significantly

### Experian

- The date that you opened your oldest account is too recent
- The balances on your accounts are too high compared to loan amounts
- Lack of sufficient relevant real estate account information
- Lack of sufficient relevant bankcard or revolving account information
- The number of inquiries was also a factor, but effect was not significant

### TransUnion

- Lack of sufficient credit history on bankcard or revolving accounts
- Lack of sufficient relevant first mortgage account information
- You have either very few loans or too many loans with recent delinquencies
- You have too many inquiries on your credit report.
